

Vision

Vision

A just and inclusive society that values, respects, protects and promotes the dignity and human rights of all people

To uphold the rights and interests of people with a disability and work to eliminate abuse, neglect and exploitation.

Mission

Mission

Values

We are guided by our values in our relationships with the people we serve and our partners. In all our activities we strive to demonstrate:

Respect

We treat everyone equally and with dignity and justice. We accept each person's individuality, acknowledge diversity and promote self-determination.

Compassion

We accept people as they are and understand, acknowledge and have empathy for their circumstances.

Inclusiveness

We strive to empower all people to contribute and participate.

Ethical behaviour

We will act at all times in a principled and informed manner, treat people fairly, accept accountability and uphold justice.

Independence

We will be free-thinking, unbiased and impartial, and will challenge the status quo.
